

APPLICATION FOR

SUBDIVISION PLAT

Incomplete applications will not be accepted.
 Indicate "NA" when an item does not pertain to your application.

Department of
 Community Development

A subdivision plat must be filed with the City of Willis for approval whenever a parcel or tract of land within the corporate city limits of Willis is being split or subdivided into two or more pieces.

No building permit shall be issued on any land forming any part of a subdivision unless the applicable provisions of the [City's subdivision ordinance](#) have been complied with as well as all other applicable ordinances of the city referring to building permits and the plat has been filed and recorded with the Montgomery County Appraisal District.

Submittal Process – Processes may vary depending on the type of plat submitted. The initial submittal shall contain a completed Plat Application, a single digital copy of the proposed subdivision plat, copies of all supporting documents, a Plat and Development Plan Checklist completed (attached) and the plat submittal fees. Please allow 10 working days for an Administrative Completeness Review, applicant will receive comments on any additional items or corrections to be addressed. Once all items have been addressed and the submittal is deemed Administratively Complete, the submittal will be presented to the Planning and Zoning Commission for their review (30 days), When Approved by P&Z the Applicant will be notified to send two signed Mylar copies and one Digital .PDF copy with all required documentation to City Hall to be presented to City Council for approval (30 days). Once approved the plat will be filed with the County tax office within 15 days. **All submittals must be received no later than 30 days prior to a regular scheduled Planning and Zoning Commission meeting.**

Submittal Fees: All applications to the city shall be accompanied by a filing fee of \$500; \$7 per designated lot; and \$15 per acre or any fraction thereof for tracts, blocks, or areas not divided into lots.
